

## Authentication Log in Process for CEBS Modules

### Page Navigation (Quick Links):

- 1) Accessing the Login Page From CEBS.
- 2) The Login Page
  - a) NIH Staff
  - b) Research Organizations

### Function

This guide is for the process of logging into CEBS Modules

### 1) Accessing the Login Page From CEBS.

- 1) To access CEBS Modules, please click the link for 'My Data' in 'Additional Resources' on the main CEBS search homepage: <https://cebs.niehs.nih.gov/cebs>

## Chemical Effects in Biological Systems

SHARE THIS:       10

The **CEBS** database houses data of interest to environmental health scientists. **CEBS** is a public resource, and has received depositions of data from academic, industrial, and governmental laboratories. Data in **CEBS** are housed in a relational database designed to display data in the context of biology and study design, and permit data integration for cross-study analysis, knowledge generation and novel meta analysis. For access assistance please contact [CEBS-support](#).

### NTP Guided Searches

[DNA Damage Classification Tool](#)  
[DTT Data Collections](#)  
[Organ Sites with Neoplasia](#)  
[Publications](#)  
[Treatment-Related Findings](#)  
[TGx Benchmark Dose Response](#)

### Additional Resources

[Release Notes](#)  
[DTT Data Dictionary \(DDD\)](#)  
[EH Expression Catalog](#)  
[CEBS Documentation](#)  
[My Data](#)  
[User Guides and Bulletins](#)

### Bulletins

- November 2022 Data Release [Updated CEBS Release Notes](#).
- Release of Publication [NIEHS-01](#) NIEHS Report
- **DTT** is building a [data dictionary](#) to define terms used to describe **DTT** data and metadata.

- 2) This will direct you to the new landing page <sup>a</sup>, which explains the new NIH authentication log in process. To access the NIH Authentication Page, please click on the link to 'Proceed to log in here'.

## Other CEBS Datasets

SHARE THIS:      

**CEBS Login (My Data)** – Open the NIH Secure Login page to login to CEBS by clicking [Here](#). Access requires either NIH login credentials or credentials for a registered institution/organization. For more information, see the [Authentication Login Process for CEBS Modules](#). After logging in, My Data, such as NTP Study Reports or NTP Pathology, or to Request DOIs, will be available from the application My Modules.

Here you can find the [list of registered institutions](#).

If you have questions or problems accessing these datasets, please send an email to [CEBS-support@mail.nih.gov](mailto:CEBS-support@mail.nih.gov)

[Proceed to log in here.](#) 

<sup>a</sup> This landing page does not appear if you are already on <https://cebsp10.niehs.nih.gov/cebs>. Instead, you will go directly to the NIH Authentication Page (step 2 below).

## 2) NIH Authentication Page

This is the NIH Authentication page. You can sign in with Smart Card (PIV Card) or Username and Password (NIH Staff) or click on the button ‘Research Organization’, if applicable.

### Sign in

#### Smart Card Login

Insert your PIV card into your smart card reader or sign in using your mobile PIV-D credentials.

Sign in

PIV-Exempt? Not a PIV Card Holder? Sign in using your account credentials:

Username

Password

[Forgot Password?](#)

Sign in

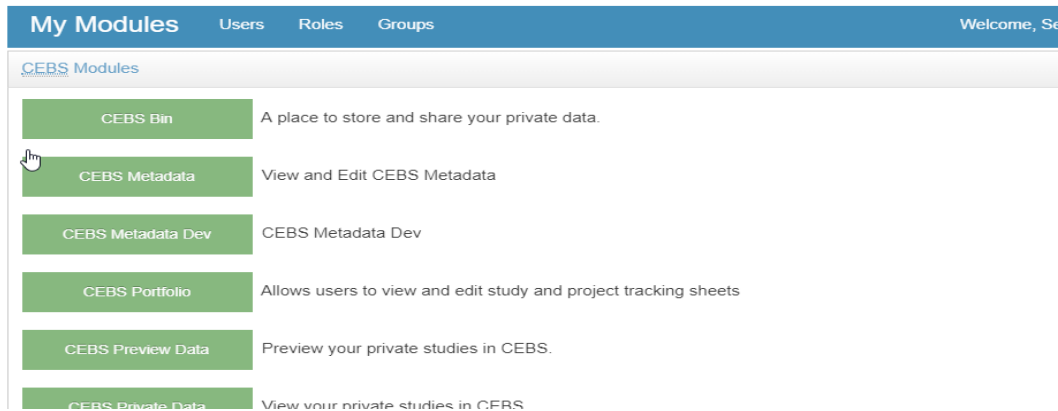

or

Research Organization

### a) NIH Staff

Successful login leads to the CEBS Modules page listing available applications.

**Note:** If you are an NIH staff member but do not have a CEBS account, please contact CEBS Support ([CEBS-Support@mail.nih.gov](mailto:CEBS-Support@mail.nih.gov))

### b) Research Organizations

Successful login leads to the Sign in page where you can search your institution and login to your organization

#### Sign in – Research Organizations

[< Return to Previous Page](#)

Sign in with your college, university, or research organization.

[Continue](#)

[Trouble signing in?](#)

**Note:** If you are first time login from a research organization, please contact CEBS Support ([CEBS-Support@mail.nih.gov](mailto:CEBS-Support@mail.nih.gov)) and provide your institution username. A CEBS account will be set up using this name. All NIHEXT account names will be retired and no longer functional as CEBS usernames
